Re: Stocking TeaZazz

Dear Store Manager,

I would like to request that your store begin stocking TeaZazz[®] a refreshing alternative to soft drinks. TeaZazz[®] is a premium soft drink, a delicious blend of tea, natural flavors and light carbonation.

I have included their contact information at the bottom of this letter.

I look forward to seeing TeaZazz[®] on your shelves soon.

Thank you for your assistance.
